

**Directions to the James B Harrison Foundation
Harrison - Long Point Property**

Approximate Physical Address: 8200 FM 1994., Richmond, TX 77469

Will get you pretty close to our front gate

Our front gates are located across the road from the Davis Estates Rd/GFL Entrance.

From Rosenberg – Take HWY 36 S towards Needville. Turn left at FM 361 heading to Fairchilds. Continue on FM 361 approximately 7.1 miles until red-blinking lights and turn left onto FM 1994 (Whaley-Long Point Rd.). Take FM 1994 roughly ½ a mile and utilizing the middle turn lane, turn left at the double gate limestone drive. The drive (on left) is immediately before the GFL Landfill entrance on right.

From Richmond / Sugar Land / Houston -

Route 1 – Crabb River Road: Take HWY 59 S and exit at TX-99 / FM 2759 (Crabb River Rd.). Turn left onto FM 2759 and continue on FM 2759 (Crabb River Rd.) approximately 1.75 miles until light at FM 762. Continue straight through light and follow FM 762 roughly 8.8 miles (continue past the George Ranch and Brazos Bend State Park). After passing the sign for the left turn at FM 762 for Brazos Bend State Park, continue straight on FM 1994 3.2 miles and immediately after the left turn for the WCA Landfill entrance, turn right at the double gate limestone drive. Follow the drive in.

Route 2 – FM 2977: From HW 59 take FM 762 towards Thompsons. Turn right on FM 2977 (Minonite Rd.) and continue on FM 2977 approximately 7.9 miles to the end where it T's at FM 361. Turn left at FM 361 towards Fairchilds. Continue on FM 361 5.4 miles until you reach the red-blinking light and turn left onto FM 1994 (Whaley-Long Point Rd.). Take FM 1994 roughly ½ a mile and utilizing the middle turn lane, turn left at the double gate limestone drive. The drive (on left) is immediately before the GFL Landfill entrance on right.

From Wharton/Boling/Needville - Take FM 442 towards HWY 36. Turn right at HWY 36. Follow HWY 36 2.9 miles and turn left at yellow-blinking light FM 1994 Junction onto FM 1994. Continue 3.9 miles till FM 1994 makes a 90-degree left turn and immediately turn right at the red-blinking lights staying on FM 1994. Take FM 1994 roughly ½ a mile and utilizing the middle turn lane, turn left at the double gate limestone drive. The drive (on left) is immediately before the GFL Landfill entrance on right.
